Can you create the best online commercial for Animate Clay? If so we've got a prize for you, thanks to the ArmatureFX team!

Did you know the ArmatureFX armature kits are our hottest selling armatures? Everyone wants one! But we only have one left, and we are giving it away free to the person who can create the best online video commercial explaining why you should join Animate Clay. Here's a video showing the ArmatureFX kit being constructed:

Anyone can make anything they like for this contest as long as it promotes the site. Use your imaginations. Animate yourself, animate some puppets - or just make a photo montage if you like. Or, you can use some voice over and music audio files provided by Ron Cole and Don Carlson
to help you out.

CONTEST RULES:

[list class=bullet-7] [li]Make as many videos of any length[/li] [li]Use puppets, Legos, toys, photos or animate yourself[/li] [li]Explain the benefits of Animateclay.com in a fun way[/li] [li]0r Explain why someone should join the site[/li] [li]Upload it to YouTube, Vimeo or any other video sharing site[/li] [li]Post your video links in the comments below or email me before August 3rd 2010[/li] [/list]

FILE DOWNLOADS:

Download the optional 5.50MB zipped file here . It contains the music and voice overs by by Ron Cole
and
Don Carlson
. As requested by Don, you can use the music - but please don't alter it.
